

My Smart Home Checklist

Are you looking to create your very own Smart home? From your front door to your outside space, there are so many different products which are available to help you create the perfect smart home for you.

We have created a quick checklist to help you choose the perfect smart products for your home.

Main Entry to Home

- 🏠 Smart door lock, keeping you in control of who enters your home
- 🏠 Outdoor security camera which can be controlled and monitored using your phone
- 🏠 External lighting which can be switched on from anywhere using a smartphone
- 🏠 Smart Delivery Box to keep your parcels safe when you're not in

Inside The Home

- 🏠 Alarm system, which can be armed and disarmed from anywhere
- 🏠 Smart speakers
- 🏠 Voice assistant, which can connect and activate other smart products in the home
- 🏠 Smart TV
- 🏠 Indoor camera, which lets you view footage from anywhere via your smartphone
- 🏠 Shower where the temperature can be set and is switched on using a smartphone
- 🏠 Heating system which allows you to set a schedule and control the heating remotely
- 🏠 Light bulbs, which are controlled by your smartphone
- 🏠 Appliances controlled remotely using a smartphone app
- 🏠 Smart safe which can be accessed and locked via a smartphone

Outside The Home

- 🏠 Garage door which can be opened and closed using a smartphone
- 🏠 Sprinkler system controlled and accessed using your smartphone
- 🏠 Garden lighting which can be set to a timer or controlled through a smartphone
- 🏠 Lawn mower which can be set to cut the grass automatically through a smartphone
- 🏠 Motion sensors controlled through smartphone, sending notifications if unwanted visitors are detected

Home Security When Away

- 🏠 Smart plugs to put lights on a timer
- 🏠 Arm the smart alarm
- 🏠 Cameras which can be accessed and controlled via a smartphone
- 🏠 Don't 'check-in' or post images with location tags on social media
